Internship Waiver of Liability

By going into functioning programs, rather than remaining in an on-campus classroom, students may expose themselves to greater risks. For example, in many placements the host agency does not assume liability for injury or harm to the SUU students who serve/work/volunteer in the program. Likewise employees of these agencies are not personally responsible for harm which may come to SUU students in the course of their carrying out their services and educational activities. Southern Utah University similarly assumes no liability for any such risk.

Given the supervision and limited case loads, SUU students are rarely exposed to even as much risk or harm as ordinary human service workers. Nevertheless, the potential for transportation accidents, and some emotional or mental distress, is present. SUU students are expected to exercise reasonable caution and to provide their own insurance to cover such harm, should it occur.

Students are also expected to conduct themselves according to the host agency’s policies and procedures and according to the training which they receive, so as to further reduce risks of harm.

The intent of the practicum/cooperative/internship courses is to provide academic credit to SUU students who wish to gain educationally meaningful field experiences. The student, as a legal adult, assumes primary responsibility for the consequences of his/her conduct, for accidents, and for other harm or injury that may occur, recognizing that this learning format is more active and involved than the traditional classroom setting.

By signing below I affirm that I have read this statement and have had my questions regarding risk and liability answered. Also, by signing below, I assume all risks that may be inherent in and associated with the internship(s) in which I will be involved. I also waive any claim against Southern Utah University, its agents and employees, for any harm, injury, damage or claim that may result from my involvement in the practicum(s), cooperative(s) and internship(s) experience which does not occur as a direct result of the University’s gross negligence. I further agree to indemnify the University and hold it and its agents and employees harmless from any such harm, injury, damage or claim that affects me or someone else as a result of my involvement.
