Cultural Resource Intern- Pipe Spring National Monument

Position Type: Internship

Open until: Open Until Filled

Work Hours: May-September (summer break); 40 hours/week working 8-hour days. Schedule may include weekends and holidays. Start/end dates are flexible.

Wage: \$12.33 / Hour DOE

Location: Pipe Spring National Monument

Description:

THIS INTERNSHIP IS BASED AT PIPE SPRING NATIONAL MONUMENT

The position is with the Museum Program. The position will focus on collections management and may include opportunities to work in other museum areas such as exhibits, research, and education. The tasks and responsibilities for this position include environmental monitoring, integrated pest management, preventative conservation and storage upgrades for museum objects, museum housekeeping, assisting staff with annual reporting requirements and museum registration, as needed. The intern will assist staff with documentation and preparation of incoming field collections as necessary. There will be opportunities for the intern to work on a field project with other staff members that may result in a brochure and/or public programming, conduct individual research, attend educational events, and receive training and guidance from local experts.

Academic disciplines and areas of interest related to this position: museum studies, library science, history, public history, archeology, anthropology, art, and art history.

Qualifications:

- Strong writing ability
- Attention to detail
- Excellent manual dexterity
- Proven ability to use art tools and materials
- Ability to receive specific instructions and apply them to tasks involving museum objects
- Proficiency with Microsoft programs
- Ability to work independently and as part of a team
- Excellent time management skills

Candidates with an interest in working in the museum field are preferred

Application Instructions:

1. Go to iicinternships.com
2. Click on the IIC Application "APPLY NOW". This will download a word document of the IIC Internship Application.
3. Fill in the application (this can be done on your computer).
4. Save application and email it, with your resume, transcripts, and statement of interest, to Brandon Sexton at Brandon.Sexton@nps.gov. In the subject line put IIC INTERNSHIP APPLICATION. Applications available until position is filled.

Interpretation Intern- Pipe Spring National Monument

Position Type: Internship

Open until: Open Until Filled

Work Hours: May-September (summer break); 40 hours/week working 8-hour days. Schedule will likely include weekends and holidays.

Wage: \$12.33 / Hour DOE

Location: Pipe Spring National Monument

Description:

THIS INTERNSHIP IS BASED OUT OF PIPE SPRING NATIONAL MONUMENT

This intern position is with the Interpretation & Visitor Services Program. Interpretation is the art of making the history and significance of a place come alive for visitors. Interpreters at Pipe Spring guide tours of the historic fort and present talks and demonstrations on Native American and pioneer crafts and activities. Other duties include welcoming the public in the visitor center, providing information about the monument and surrounding public lands, collecting entrance fees, cleaning historic buildings, helping care for livestock, and maintaining the historic scene by working in the garden and orchard.

Training will be provided. The position offers opportunities for cross-training and experience working with a variety of mentors and specialists including resource management (vegetation, archaeology, wildlife, hydrology, museum management, and historic preservation), administration, and maintenance staff. Start/end dates are flexible.

Academic disciplines and areas of interest related to this position: history, botany, biology, archaeology, communication skills, and working with people.

Qualifications:

Candidates must enjoy sharing information with the public in a visitor center, outside, and inside historic structures; have knowledge about the cultural and/or natural history of the Southwestern United States; want to be part of a team; interest in working in a garden and with livestock.

Application Instructions:

1. Go to iicinternships.com
2. Click on the IIC Application "APPLY NOW". This will download a word document of the IIC Internship Application.
3. Fill in the application (this can be done on your computer).
4. Save application and email it, with your resume, transcripts, and statement of interest, to Paula Ogden-Muse at paula_ogden-muse@nps.gov. In the subject line put IIC INTERNSHIP APPLICATION.

You can also print your application and bring it to Miranda Gubler at the IIC offices.

Submit IIC application, resume, transcripts, and statement of interest. Applications available until position is filled.
