

**Master of Science
in Business Analytics**

Master of Science in Business Analytics (MSBA)

The Master of Business Analytics program at SUU trains students to use data, statistical analysis, and mathematical models to solve business problems, improve business processes, and make better business decisions. The program aims to achieve the optimal balance between technical expertise and real-world applications, to produce graduates who can apply appropriate methodologies in practical ways.

OFFERED ONLY IN PERSON

TOTAL ESTIMATED ANNUAL COST: \$34,206

ADMISSION REQUIREMENTS

1. Graduate application + \$60 (USD) fee
2. Official transcripts from each college or university attended
3. A list of three professional references
4. Official GRE or GMAT scores attained within the last 5 years, unless the conditions are met for a test waiver
5. Professional resume
6. Letter of intent
7. A list of required prerequisite classes can be found at: www.suu.edu/business/graduate/msba/
