

Concurrent Enrollment Request

International students are allowed to enroll in two institutions concurrently, as long as the combination of credits enrolled at each school meets the minimum 12 credits required by SEVIS. The primary school, the school from which you will receive a degree, will retain your immigration record. Concurrent enrollment is only granted one term at a time.

Students desiring to be admitted and attend another school full-time should follow the Transfer Out Process instead of using this form.

- After this form has been completed and approved, you will receive the following documents:

Course Title	Number of Credits

Provide International Student & Scholar Services with a verification of enrollment from the secondary university stating the number of enrolled credits for the desired semester. **If you are enrolled in less than 12 credits at SUU, you will not be registered in SEVIS for the stated term until enrollment verification has been provided to ISSS.**

- Online credit restriction is still in place. Only 3 online credits can be used each semester to meet the 12 credit requirement.

I have reviewed with the student how the desired credit(s) will transfer to SUU.
