

Students may apply for a driver's license 10 days after arriving in Cedar City. If your address, birthdate, and/or email have not been updated with SUU, then you may run into problems while applying for your driver's license. If you have a current foreign driver's license, you will need to bring the following information with you to the DMV:

- Valid passport with visa
- Form I-94
  - <https://i94.cbp.dhs.gov/i94/request.html>
- Social Security Number (SSN) **or** Form SSA-L676: "Refusal to Process SSN Application". This will require you to apply for a Social Security Number (See directions below).
- Proof of Utah Residency (two of the following)
  - Bank Statements
  - Court Document
  - Rental contract
  - Major credit card bill
  - School transcript
  - Utility Bill (cell phone bills are not accepted)
- Completion of a driver education course, **or** valid license from another country

If you do not have a current foreign driver's license, you will need to enroll in a driver's training program, then complete the steps listed above once you have successfully completed the driver's training course.

If your application for a driver's license is denied, you may have incorrect information recorded on your SEVIS record. To correct your information, you will need to visit the Global Engagement Center to review your immigration documents.

If a dependent of a student wishes to obtain a Utah Driver's License, they will need to present the following at the DMV:

- Primary and dependent's most current I-94
- Primary and dependent's valid passport with visa
- Proof of identity (photo ID)
- Proof of relationship (Marriage certificate)
- Primary and dependents most current stamped I-20 or DS 2019
- \$18.00
