Requirements for Maintaining Immigration Status:

All new international students and dependents are required to complete the check in process within the first 30 days of the program start date listed on their I-20. Failure to do so will result in a registration hold on the student's account and termination of their immigration record.

Check-in and Maintenance includes:

- Submission of a TB questionnaire and provide proof of a negative TB test; test must have taken place in the United States.
- Proof of Immunizations (2 doses of MMR required)
- Proof of Health Insurance
- Have a valid passport at all times
- Update any address changes within 10 days

Failure to maintain your non-immigrant student status will result in the termination of your I-20 and possible deportation from the United States.

Requirements for F-1 Visa Holders:

Completion Date on I-20: Each student should be aware of the program completion dates listed on your I-20. It is the student's responsibility to ensure their program length provides enough time to complete their program of study.

Full-time enrollment: To maintain immigration status, all students are required to maintain full-time enrollment.

Education Level	Fall and Spring	Summer (For new students only)
