

Health Care can be very expensive in the United States. To protect students from these high costs, international students are required to hold insurance during their time as an SUU student. Please include a copy of your policy with this form.

Your policy must meet or exceed these minimums required by Southern Utah University:

- Medical Benefits \$100,000 (\$200,00 is preferred but not required)
- Max Deductible \$500
- Medical Evacuation \$50,000
- Repatriation \$25,000

*Failure to hold adequate insurance coverage will result in a hold on your account. This hold may be released by obtaining proper insurance.

Name of Student: _____
Family/Last Name First Name
