SOUTHERN UTAH UNIVERSITY

MAKING GENERAL EDUCATION RELEVANT

Launched in 2015, Jumpstart is the most engaging, integrated and efficient way to complete the general education requirements. The program allows students to earn all of their GE credits in one year through an integrated curriculum taught by highly qualified professors.

With more than 20 national parks, monuments and recreation areas within a 5-hour drive from SUU, there's something for everyone to enjoy. As the University of the Parks, SUU is committed to offering students experiential learning opportunities outside of the classroom through internships and extensive academic programming.

MORE OPPORTUNITIES FOR SUCCESS

The Dual Enrollment Program, a new partnership between SUU and Southwest Tech, allows students to enroll in both institutions giving them more opportunities for success. The two schools are committed to helping all students by providing multiple academic pathways.

GRADUATE WITH A COMPETITIVE EDGE

At SUU, students are offered multiple opportunities to get out of the classroom and explore their passions through hands-on, real-world projects. Upon graduation, students have an impressive portfolio giving them a competitive edge in the job market.
