NON-TRAD STUDENT HIGHLIGHT

**We'd Love to
Highlight You!**

**Our student highlight this month :
Reina Kropf**

Major: Studio Arts: Ceramics and minoring in painting/printmaking/drawing.

What Makes You a Non-Trad: I'm 26 years old. School is taking me longer to complete than is typically advised, but I wouldn't have it any other way! I feel very at home here at SUU.

About You: I LOVE art. In all its forms, although contemporary art is my favorite. I love making onigiri with my partner and collecting tiny memories. I grew up in Green River, Wyoming, with my parents and four siblings. The weather here in Cedar City is significantly warmer, which means there are more bugs (I love bugs). Clubs, student events, my friends, and faculty have all made the choice to come to SUU an easy one. I've learned so much already and know I have so much more to learn.

We are highlighting non-traditional students in our newsletter! We love to see what our students are up to and would love to help you see some familiar faces on or off campus.
