**MID-APRIL NEWSLETTER**

**Congrats, Non-Trads!**

The finish line is in sight—just one more week until the end of the semester! We know this time can bring a whirlwind of emotions: the pressure of final projects and exams, the excitement of what's ahead, and maybe even a little nostalgia as the year wraps up. Just remember: you're not in this alone. We're here for you through this final stretch and beyond. Whether you need academic support, advice, or just a listening ear, don't hesitate to reach out.

And to our graduating Thunderbirds—congratulations! You've pushed through challenges, grown in countless ways, and made it to this incredible milestone. We are so proud of everything you've accomplished, and we can't wait to see the amazing things you'll do next.

You've got this, T-Birds. Finish strong!

NON-TRAD STUDENT HIGHLIGHT

**We'd Love to  
Highlight You!**

**Our student highlight this month :**  
**Sam Webster**

**Major:** Psychology Minor: Anthropology

**What Makes You a Non-Trad:** I am a single parent to 3 amazing kiddos! I didn't receive my high school diploma until 2022 and then came straight to SUU. Being an older student and a single parent sure makes college a different experience.

**About You:**

Going to college was something that I thought was almost impossible just a few years ago, and this fall I found myself applying for graduate programs! Coming to SUU has been the best thing for me and my kids. It has been an amazing journey of growth. I wasn't sure it was something I could do as a non-trad student, but I have been very privileged to be surrounded by amazing people who have supported me.

We are highlighting non-traditional students in our newsletter! We love to see what our students are up to and would love to help you see some familiar faces on or off campus.

To be featured please fill out this form:

**Favorite food:** Street fries from Spitz (they need one in southern Utah!!!)

**Favorite color:** Black (I never got over my emo phase...)

**New hobby since starting SUU:** growing plants

**Favorite place to vacation :** the beach

**Favorite book:** Women Who Run With the Wolves

**Last show I binge watched:** Black Doves

This past year I was able to help co-author a paper that was published in a global medical journal. I really love doing research. When I'm not studying or at work, I love being outdoors and hiking. My kids are my world and we enjoy swimming, reading together, watching funny Instagram reels, and singing in the car. It's not easy trying to find time to study in between orthodontist appointments for the kids, calming teenager crises, cooking dinner, and everything else, but it is so worth it. I will be graduating this spring and I am so proud of this accomplishment!
