

Need help paying for school?

Here are some places to start!

Finding Financial Aid & Scholarships

- **Apply for SUU and Departmental Scholarships (Nov. 1st- Feb. 1st):**
 - Go to www.suu.edu » click *Current Students* » click *Financial Resources* » *Financial Aid/Scholarships* » Under Announcements click *Complete the application* » and fill out the application on the page » (or go to <https://www.suu.edu/finaid/secure/2018-returningapp.html>)
 - To apply for multiple scholarships using this application, scroll down to the bottom and check the *Other* check box, along with other applicable boxes
 - Open the link for the *General Catalog* beneath
 - Copy & paste the titles of all scholarships you'd like to apply for into the *Other* box on your department application, separated by a comma
 - Hint: To avoid having to do the same thing again next year, once all scholarship titles are in the small *Other* box, highlight them and copy & paste them into a google doc (then you can simply copy & paste that list in for next year!)
 - When you are finished, click *submit*. You've now applied for all possible scholarships here at SUU with ONE application!
 - Visit the [Non-Trads website](#) and look under the [Scholarships](#) tab for scholarships specific to Non-Traditional students, including information on SUU housing scholarships
 - **Fill out your FAFSA**- If you need assistance, ask your Financial Aid Advisor or visit the Financial Aid Office
 - **Meet with a Financial Aid Advisor**- Stop in their office or give them a call at 435-586-7735 to set up an appointment
 - Apply for SUU Financial Aid in the Financial Aid Office
