

# **SUU DON Learning Lab Safety Policies**

- Safe Clothing, NO open toe shoes, hair pulled back, caution with jewelry
- No food or drinks at bedside or by computers
- Only DON students and individuals approved by nursing faculty/staff are allowed to be in the Nursing Learning Lab
- Invasive procedures on real person MUST be directly supervised by Nursing Faculty after signing a consent form
- ALL sharps must go into a labeled sharps container and NEVER the trash.
- Do not recap needles
- Cleanse hands prior to practice, avoid pens and markers around the manikins
- Inform the Lab Coordinator ASAP for malfunctioning equipment, any personal injury, or questions during learning lab activities
- Keep stations organized & neat; return equipment as you found it unless directed otherwise
