SUBJECT: REGISTRATION AND PARKING OF VEHICLES

I. **PURPOSE:** To establish regulations for the control of traffic, parking and related matters on campus.

II. **POLICY:**

All faculty, staff and students using campus parking facilities must display a valid University parking permit and abide by all SUU parking regulations. Parking permits are paid for at the Cashier's office; registration of vehicles, and issue of permits is through the Public Safety Office. Vehicle permits expire July 31st. Purchase of a parking permit does not guarantee a space to park.

Permit Parking is enforced from 7 a.m. to 4 p.m. Monday through Friday when school is in session. University holidays are excluded.

The University administration may make changes or amendments in parking regulations at any time.

All other parking regulations and State laws are enforced year round.
