

How-To Guide: Request for Quote

Amazon Business customers can now request custom quotes through our Request for Quote tool, up to 50 unique items within one request. Request for Quote is a tool which helps Amazon Business Customers request a specific, discounted price on higher volume purchases (>\$10K / >999 units). Once you submit your quote request, third-party sellers are able to send you personalized offers.

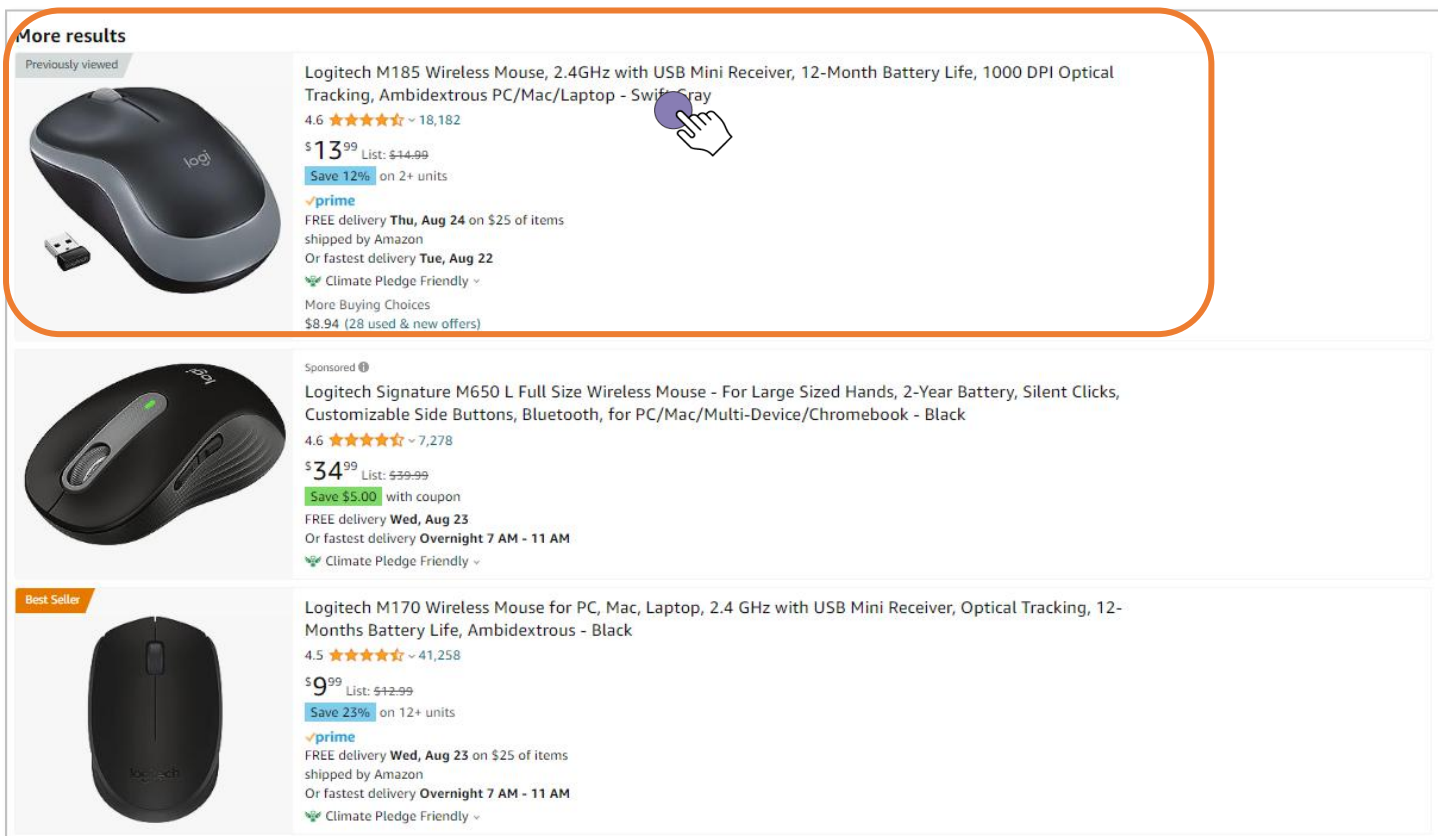

Request for Quote

1. Search for the item you looking to purchase.

Request for quote is also accessible by navigating to <https://www.amazon.com/ab/bulk-order/input> or www.amazon.com/requestforquote

2. Select the item that you are searching for or that best suits your needs.

3. On the product detail page, select **Buying in bulk?**

NOTE: Not all products will qualify for buying in bulk. Items that do not qualify will not have the option to select Buying in bulk?

Once the request has been made, this tool uses Amazon Business's network of suppliers to identify available inventory at your target price point. Quotes are typically available within 3-5 business days. Amazon Business cannot guarantee that inventory and pricing will meet your desired requests but typical savings through the request for quote tool are approximately 10%.

12. You will have individual quotes for each request that you have made. Requests will show the date they were requested as well as when the quote is due. Click view request to see the status of the request.
