

## Photo Shoot Waiver

I, \_\_\_\_\_, give my full permission to Southern Utah University (SUU) for the express purposes of using photographs taken of my child, \_\_\_\_\_, in 2017-2018 to be used in University publications and marketing strategies. I understand, by signing this waiver, that I will not be paid to have my child's image used, nor will I be expected to pay to have such image captured. Should I wish to have copies of the photographs taken, I will contact SUU directly to inquire about the process of acquiring said photographs, and will follow this process.

I also acknowledge and understand, by signing this waiver that SUU is in no way responsible to provide me with compensation for neither my time, my child's time, nor our efforts in participating in this photo shoot. I acknowledge by signing this agreement that I understand my child is under no obligation to participate in this photo shoot and that he/she participates according to his/her own will and desire.
