

RURAL ROTATIONS IN ST. GEORGE, UT

Southern Utah Area Health Education Center

St. George, Utah

With a population of almost 80,000, St. George is one of the largest communities in Southern Utah. Located within driving distance of Las Vegas and Zion National Park, St. George has opportunities for social, shopping, and outdoor recreation. In addition, this community boasts warm weather almost year-round, and is home to the Tuacahn Center for the Arts, an outdoor events venue.

Rotation Information

Rotations are available for pharmacy, physician's assistant nurse practitioners, and medical students (MS-III, MS IV, and Residents).

Note that rotations will be completed in rural areas of Washington county.

Please apply for rotations six weeks in advance:
