April 8, 2009
2:00 pm
Budget Office Conference Room

Roll Call: Bruce Tebbs, President; Travis Rosenberg, President-Elect; Pat Gardner, Secretary;
Bryant Flake, Board Member.

Those Excused: Casey Bowns, Adrian Gunter, Emily Dean, Jared Wilcken, Mike Humes, Blaine Edwards

- * *Policy* – Bruce provided a clean copy of the revised Staff Association Policy for the committee members to review. If no additional changes are needed, he will submit the policy to the Presidents Council the following Tuesday.
- * *Staff Association Scholarship* – Bruce and Travis reported that 50 students have applied for this scholarship. Many of the students who applied obtained recommendations from faculty instead of staff. Travis will revise the Staff Association Scholarship application to read more clearly that each application needs to be accompanied with a recommendation letter from a *non-teaching staff member*.
- * *Update on Outstanding and Distinguished Staff Awards* – Bruce reported that the Presidents Council approved taking the “gender” factor out of the awards on March 12, 2009. Mike Humes will be contacted to make that change on the display boards in the Smith Center.
- * *Legislative Update* – April 22, 2009 at 4:00 pm has tentatively been scheduled for Senator Stowell and Representative Vickers to come and give the campus a legislative update.

Meeting Adjourned: 3:00 pm
