

GABBI GARCIA

SUUSA CLUBS & INVOLVEMENT VP

My name is Gabbi Garcia. Since starting SUU three years ago I have had the opportunity to be involved in many different capacities. I started as an assistant event director on the Student Programming Board and got to bring new events to campus. Then, I had the opportunity to act as the president of the Student Athletic Board, a new addition to the Student Involvement and Leadership Center, that allowed me to participate in new leadership experiences. Finally, this last year I have had the opportunity to serve as the president of the Involvement Captains and work with students who are trying to find their place on campus through involvement.

Within those leadership roles, I have had the opportunity to partner with Athletics, the Career Center, the Center for Diversity and Inclusion, and the University Advancement team. I have had so many opportunities to learn from different types of leaders and create new relationships with many different people. I want to share what I have learned with others. I want to help others find ways to get involved. I believe that we, as a campus community, can cultivate connection through involvement. There are so many opportunities for students to find their place on campus and I want to be the one to help them. Being involved at SUU has changed my life and I want to make that opportunity available to everyone.

To do this I want to:

- Help students find those who share their niche interests
- Make myself available to help those who are interested in being a part of a club or organization
- Give students the resources, funds, support from SUUSA, etc, to start their own club to fit their interests
- And so much more.

This year is about connection and making SUU a home for all students. As Vice President of Clubs and Organizations I will use my past experience to learn more and to be a guide for others.
