## CLUBS + INVOLVEMENT VICE PRESIDENT

Hello I am Sydney Hoag, I am running for the Vice President of Clubs and Involvement for the 2024-2025 academic year. Over my two years at SUU, I've been deeply engaged in campus life, collaborating closely with the Student Involvement and Leadership Office, Leavitt Center, and participating in various events. Currently serving as the Director of Clubs and Involvement, I've dedicated my efforts to supporting service and fine art clubs, now I intend to extend my impact to benefit all clubs across our campus.

My candidacy revolves around a comprehensive platform aimed at enhancing student engagement and empowering clubs to thrive. Here's a breakdown of my key initiatives:

- **Increased Communication and Transparency:**

- I am committed to demystifying the process of becoming a University Sponsored Organization (USO) and raising awareness about the vital role USOs and clubs play in our campus community. Through enhanced communication channels, I aim to ensure that every student understands what a USO is and how they can initiate or join one.

- **Personalized Support:**

- I believe in the power of individualized attention. As Vice President, I will make it a priority to meet one-on-one with students to guide them through the process of creating clubs that align with their passions and interests. Additionally, I'll assist students in discovering opportunities for involvement on campus and help them find clubs that resonate with their aspirations.

- **Resource Empowerment:**

- Clubs are the backbone of our campus culture, and it's essential to equip them with the resources they need to thrive. I am dedicated to working closely with clubs to ensure they have access to necessary resources and support systems, fostering an environment where both clubs and their members can flourish.

In essence, my goal is to leave SUU better than I found it, and I firmly believe that serving as Vice President of Clubs and Involvement is a crucial step in achieving this vision. Together, let's build a more vibrant and inclusive campus community.

Thank you for considering me for this important role. I look forward to earning your trust and support!
