

KYLER HARRISON

STUDENT BODY PRESIDENT

Hi, my name is Kyler Harrison and I am excited to be running for your student body president. I'm from a small town in central Utah called Fillmore. From a young age, I knew I wanted to get involved in politics and help people so I decided to major in political science and minor in legal studies. While at SUU I have been in many different leadership positions across campus such as an RA, Humanities and Social Sciences Senator, and an Assistant Event Director. I have fallen in love with SUU, and aspire to make it even better.

As Student Body President my goal is to help students and staff know that you matter. For my campaign, I want to focus on three aspects of improvement at SUU.

1. Your Ideas Matter

- I want to work with different clubs, organizations, and students to receive feedback.
- Increase student involvement and advocacy.
- Advocate student needs and ideas to upper administration.

2. Your Community Matters

- Increase coordination and collaboration of different organizations on campus.
- Increase athletic involvement with activities.
- Work to have increased group and club events.

3. Your Mental Health Matters

- increase awareness of struggles students face.
- Diversify mental health resources.
- Improve access to mental health resources.

If elected Student Body President, I will work tirelessly to advocate for students and their needs. I hope to make SUU a home for each and every one of you and cultivate a community of hope and happiness.
