

ROBERT OLIVER

GRADUATE STUDIES SENATOR

Hi T-Birds! My name is Robert Oliver and I want to be your next SUUSA Graduate Senator. I'm currently finishing my first year as a graduate student in the Public Administration Program. In 2019, I completed and received a Bachelor's Degree in Political Science and Business Management from Brigham Young University Hawaii. After graduation, I served as a Vietnamese-speaking missionary for the Church of Jesus Christ of Latter-day Saints in Melbourne, Australia from 2019 until 2020.

After beginning my studies in June 2021, I was selected to serve as the Graduate Assistant for the Public Administration program. Getting to know each student and faculty member on a personal level has been one of the best experiences of my life. Serving in this position is what motivated me to run for the position of Graduate Senator.

As your next Senator, I will always be available. As students have a wide variety of questions and concerns regarding their education and experience at SUU, I will serve to be your connection and voice linked to those responsible for governing our university. Your opinions will be heard, your needs will be met!

Don't forget to vote, and thank you for supporting my candidacy!
