This Agreement and Release is made and entered into _____[day] of _____
_____[month], 20____, by _____("STUDENT"). STUDENT is choosing
to participate in _____[title of program] located in _____[name of
country, city, etc.] from _____[start date] to _____[end date]
(the "Program"). In consideration of being allowed to participate in the Program,
STUDENT agrees to the following:

I. Student's Obligations

A. Financial/Program Costs

1. STUDENT shall pay the fees set forth for the program in a timely manner.
2. STUDENT is responsible for obtaining a passport and the proper visa(s) (if applicable) required for travel abroad.
3. STUDENT shall cooperate as necessary with the SUU Office of Learning Abroad in obtaining and maintaining health insurance through the provider indicated by the Office of Learning Abroad, which includes international travel coverage and provides, at a minimum, coverage for the time period of the Program.
4. Travelers acknowledge that not participating in all of the activities associated with University travel abroad does not entitle them to any compensation or reimbursement of fees they paid or agreed to pay to the University or any other organization or individual.
5. Travelers acknowledge that their early withdrawal from a program involving University international travel, for any reason, does not guarantee reimbursement of any associated program expenses.
 - a) Travelers taking part in University travel that is canceled by the University may be reimbursed.
 - b) "Reimbursement" in this context includes the reversal of charges to an SUU account, regardless of whether or not the initial charge was paid by the student. Application fees, administration fees, any unrecoverable fees, and/or fees necessary for the continued financial viability of a program at the time of a student's withdrawal will remain the student's responsibility. If a student does not notify their Program Directors and the Office of Learning Abroad of their intent to withdraw from the study abroad, purchasing for them will continue leading to additional unrecoverable expenses.
 - c) In the event that a program involving University international travel is canceled by the University, travelers will be responsible for securing refunds or credits for payments they made to entities outside of the University.
6. STUDENT understands and acknowledges that the releasees

assume no responsibility or liability, in whole or in part, for any delays, delayed or changed departure or arrival times, fare changes, dishonors of hotel, airline or vehicle rental reservation, missed carrier connections, sickness, disease, injuries (including death), losses, damages, weather, civil unrest, or public health risks. If, due to weather, flight schedules, or other uncontrollable factors STUDENT is required to spend additional time traveling, STUDENT understands that the releasees will not be responsible for hotel, transfers, meal costs, or other expenses.

B. Behavior and Academic

1. STUDENT understands that STUDENT's participation in the program is voluntary and subject to agreement to these terms. The Program is a short-term study abroad program led by an SUU faculty or staff member.
2. STUDENT is responsible for abiding by SUU's Student Code of Conduct found in SUU Policy 11.2 and the International Travel Code of Conduct STUDENT understands that any violation or other disruption STUDENT causes to the Program may result in disciplinary action being imposed by SUU and/or the third-party program provider, up to and including dismissal from the Program, administered by an official University representative and/or third-party program provider representative, as applicable. Further disciplinary measures may be initiated by the SUU Office of Student Affairs, or other applicable personnel, in accordance with prescribed procedures in the Code of Conduct and may be done when practical and feasible under the circumstances, including but not limited to upon STUDENT's return to the United States and/or SUU campus.
3. STUDENT understands that in determining eligibility to participate in or continue participation in the program, SUU may engage in assessments to determine risks to the University and participants. STUDENT understands that these assessments may include consideration of academic standing, conduct, evaluations and/or recommendations of faculty and staff, as well as other relevant information. STUDENT consents to disclosure of education records for the purpose of these assessments.
4. STUDENT understands that dismissal, termination or withdrawal from the Program abroad and corresponding courses of action will be at STUDENT's expense and may include loss of program fees, costs, and/or university credit. STUDENT understands that SUU or third-party program provider has the right to dismiss STUDENT from the program at any time for behavior which, in the judgment of the applicable entity, disrupts the program or brings the program into disrepute.

C. Medical/Health

1. STUDENT understands that SUU cannot guarantee their health and safety while participating in the Program. STUDENT is responsible for acting prudently and exercising caution and common sense at all times. STUDENT agrees to follow safety directives and instructions from SUU representatives and/or third-party program provider.

STUDENT further understands that requested accommodations may not be available, but that reasonable efforts may be made to provide alternative accommodations or to pass along the request to a host institution or third-party program provider to provide accommodations when possible.
4. If, during their participation in the Program, STUDENT becomes incapacitated or otherwise unable to provide consent to medical treatment and advance consent cannot be obtained from STUDENT's emergency contacts, STUDENT agrees that medical treatment may be performed when, in the opinion of competent medical personnel, the health or welfare of STUDENT will be adversely affected by any delay. In such event, STUDENT authorizes SUU's designated representative to grant permission for the necessary medical treatment of STUDENT.
5. STUDENT agrees that SUU is not responsible for any personal injury or loss or damage to property suffered by STUDENT during periods of travel independent of the Program.
6. SUU strongly discourages participants from operating motor vehicles while participating in education abroad, due to the inherent dangers of driving in a country with different traffic laws, driving habits, and regulations relating to insurance. If, however, STUDENT decides to operate a motor vehicle while abroad, STUDENT recognizes that the releasees assume no financial or other responsibility for any legal liability or counsel, car repairs, or medical care if STUDENT is involved in an accident or otherwise while operating a motor vehicle abroad.

STUDENT understands that, if STUDENT is a U.S. citizen or national traveling with a U.S. passport, it is STUDENT's responsibility to register with the U.S. Department of State's Smart Traveler Enrollment Program (STEP) (<https://step.state.gov/step/>), so the U.S. Embassy or Consulate in the host country knows of STUDENT's whereabouts, in the case of an emergency when it might be necessary for a consular officer to contact STUDENT. If STUDENT is not a U.S. citizen or national, STUDENT is encouraged to register their travel with their home country's embassy in the host country, if possible.
4. SUU may (but is not obligated to) take any action it considers to be warranted under the circumstances regarding STUDENT's health and safety, including but not limited to sending STUDENT home or to another location from the program location or contacting STUDENT's parents or emergency contact. STUDENT agrees to pay all expenses relating thereto and release the releasees from any liability for any actions or inaction in this regard.
5. STUDENT understands that the releasees cannot guarantee the safety of participants or eliminate all risk from the Program. STUDENT understand that the releasees cannot and do not assume responsibility for the actions of persons not employed or otherwise engaged by the releasees, including without limitation those persons affiliated with or employed by other third-party program providers.
6. By participating in the Program, STUDENT specifically waives any and all claims and causes of action, present and future, against the Board of Trustees of the University, Southern Utah University, and their officers, agents or employees arising out of STUDENT's participation in the Program and resulting in the death, dismemberment, disability, physical or mental illness or the loss or destruction of the personal property of STUDENT, or the detention of STUDENT by governing authorities or any other person. STUDENT acknowledges that this waiver is made freely, voluntarily, and under no compulsion.
7. STUDENT agrees to indemnify and hold SUU harmless for any financial liability and obligation which they personally incur, and for any injury, loss, damage, liability, cost or expense to the person or property of another which is caused or contributed to by STUDENT during his/her participation in the Program.
