 - A. **Meet Your Reps**
 1. Interact with the posts on Instagram so more students can see it!
 - B. **Update on Canvas Pronouns**
 1. Video has been made on how to put pronouns on Canvas. It'll be advertised on the portal announcements for 5 days starting 10/14
- V. **New Business**
 - A. **How to Study Event/Promotion**
 1. Idea was brought to the Senate by the ACES since many students (including a lot of first-years) are asking how to study. It is proposed to use the Living Room and include the Tutoring Center for an event to advertise study tips and tricks and to better inform students on how to study/best prepare them for their exams.
 2. Sen. Matheson-When it's moved to the SLEC, the members will be in charge of running the event. The hope is that some of the senators will assist in making posters, advertising on social media, etc.
 3. Rep. Paz-Will this event be put on in future years or just this year? AJ-She would love to see it go on to other years but this idea is for this year.
 4. Rep. Oschner-Is the time and day set?
 5. Sen. Matheson-An idea is to teach how to read a textbook, have a professor come teach, etc. AJ-If it gets moved to the SLEC, all those ideas would be great to happen.
 6. Rep. Paz- It'd be great if a handout was created, so students could access the information after the event was over. AJ-Yes, we could keep copies in the STIL office and give to other organizations.
 7. **Motion to Move to Committee (Student Life Enhancement Committee) - Motion Passes**
 - B. **Cast Teacher Lists Distributions**
 1. Sen. Frstrup- CAST stands for Care and Support Team for mental health resources and professors are members of this organization. What is the best way to get that information out to students, so they know their resources?
 2. Sen. Burnside-Evans-Could we make a link on Canvas or MySUU that would pop up a list of all the professors and where they were located?
 3. Sen. LeFevre-What if on the first day of classes, we urge the professors to mention that they are apart of CAST
 4. Sen. Matheson-What about an announcement that says what CAST is and we get digital flyers and blast it everywhere to market the organization.
 5. Sen. Walton- Doing a poster of the professors in the building where they teach/their office would be beneficial.
 6. Rep. Moore-Put it in Canvas, if you have the professor, then it is stated somewhere in their class that they are a CAST member?
 7. Sen. Burnside-Evans-Under Student Life or Faculty and Staff, put a link for the CAST list. Just a more accessible way to find the list.
 8. Sen. Cox- Maybe do a class on Canvas dashboard with the CAST resources and members list
 9. Rep. Hawk- Adding the Pride Alliance to the list would be beneficial since sometimes they go hand in hand and share similar resources.

SOUTHERN UTAH UNIVERSITY STUDENT ASSOCIATION

10. SBP Kante-Find a place on Canvas to create a bulletin board of the CAST members and their pictures so all students can see it. Possibly something similar to the Dean's List in the Student Center
11. Rep. Barton-Maybe we should move this to committee to fully formulate the idea?
12. Rep. Oschner-Does CAST have any organized way to contact them? Like a building or website? VPofClubs-Yes, the website is suu.edu/cast. And there is a directory with the list of professors and their emails that you can contact them with.
13. **Motion to Move to Committee- Motion Passes**
