- I. **Call to Order**
- II. **Roll Call**
 - A. **Not in attendance:** Graduate Senator - Danny Partida, Veteran Representative - Tony Oschner
- III. **Approve Minutes from last meeting** - Approved
- IV. **New Business**
 - A. **T-Bird Bikes Funding - Refer to SUUSA S.B. 006 Bill: Support and Funding for T-Bird Bikes** CAST Sen. Cox: T-Bird bikes seeks to receive a \$5,000 grants from the Southwest Utah Public Health Department
 1. International Rep. Paz: How will the bike safety portion of the bill be enacted? VP of Finance Sutton: They would be taught when to yield to vehicles, the signals, how to pick a proper helmet, etc. Unsure of if there will be teaching portion of how to ride a bike, but the people working for T-bird Bikes are very helpful and would probably be willing to teach someone how to ride one
 2. Business Sen. Matheson: What measures are there that ensure the students who rent the bikes will take good care of them? Sutton: If a student brings in a bike that is broken, they would lose the privilege of renting the bikes again. VP of Clubs Colby: There is probably a sort of deposit before using a bike.
 3. Greek Rep Moore: What would the process of renting the bike be? Sutton: It is more on a long-term basis so a student can use it to commute to and from classes all semester. Chief of Staff Stewart: The concept is for students to rent it for the time that they'll need it for. It may be just for a trip to the store or for an entire semester to commute to classes.
 4. Rep. Paz: Are there any ideas of adding any bike racks around campus to promote more people using bikes? Sutton: Part of this bill will evaluate the bike accessibility on campus. They will assess the issues, if any, of where to park a bike on campus.
 5. **Call to Question:** All Yay (Bill Approved)
- V. **Old Business**
 - A. **Election Bi-Laws** - Chief Justice Smith: Additional revisions include: clarified endorsements (sharing candidate info on social media is an endorsement) and cleared up the process for the SUUSA elections if a candidate drops out before the primaries.
 1. **Call to Question:** All Yay (Bi-Laws Approved)
 - B. **APA English Classes** - HSS Senator Walton: The english department is encouraging faculty to accept APA and MLA formats in their classes. Also, trying to include an assignment in all ENGL 2010 classes for students to practice APA, Chicago-style, etc. Decided to not create a bill since the english department is already doing a lot and trying to push for the use of other formats. In the INFO 1010 class, it is taught in both MLA and APA format, so students get that opportunity within that class.
 - C. **Plan B - Refer to Plan B: Student Health and Wellness Center Handout** - CDI Rep. Hawk: Proposing for Plan B to be offered and regulated by the Health and Wellness Center. The money required would not come out of SUUSA budgets. The Health and Wellness Center would receive the money from a grant. Administration would just need to approve the distribution of Plan B, everything else would be handled by the Health and Wellness Center.
 1. **Call to Question (to take it to a bill):** 11 Yays & 3 Nays (Fristrup, Matheson, Cox)
 - a) **Motion Passes**
