

# Products at a Glance

Aflac provides a variety of supplemental insurance policies that allows you to offer your employees more robust coverage at no cost in premiums to your business.

Learn more about which products may be best for your workforce:

**Accident<sup>1</sup>:** Aflac accident insurance pays cash benefits that can help provide peace of mind following a covered accident. Benefits can be used to help pay for any expense, including emergency treatment or treatment-related transportation and lodging.

**Aflac Plus Rider<sup>2</sup>:** The Aflac Plus Rider helps protect employees from costs associated with serious illnesses such as heart attacks, strokes, Type 1 diabetes, and advanced Alzheimer's and Parkinson's disease.

**Dental<sup>3</sup>:** Aflac dental insurance provides benefits for covered checkups and cleanings, x-rays, fillings, crowns and much more.

**Disability<sup>4</sup>:** Aflac short-term disability insurance offers income replacement benefits to help with the loss of income due to a covered illness or injury.

**Cancer/Specified-Disease<sup>5</sup>:** Aflac cancer insurance pays employees a defined benefit for covered cancer treatments and also helps with costs that may not be covered under major medical insurance such as travel and accommodations, deductibles and copayments and other miscellaneous expenses.

**Critical Illness/Specified Health Event<sup>6</sup>:** Aflac critical illness insurance can help with the treatment costs of life-changing illnesses and health events like heart attacks or strokes, among others, so your employees can stay focused on their recovery.

**Hospital<sup>7</sup>:** Aflac hospital insurance can help your employees be better prepared for unexpected hospital expenses that may not be covered by their major medical coverage.

**Life<sup>8</sup>:** Aflac life insurance can help protect the financial future of your employees and their loved ones, if something happens to them.

**Vision<sup>9</sup>:** Aflac vision insurance is designed to help with the costs of eye exams, treatments and vision correction materials.
