

RURAL ROTATIONS IN CEDAR CITY, UT

Southern Utah Area Health Education Center

Cedar City, Utah

Founded in 1851, Cedar City is now known as "Festival City USA" due to the large number of events hosted in this community of 30,000 residents. These festivals include the Tony-award winning Utah Shakespeare Festival, the Utah Summer Games, and various community celebrations. Cedar City is within close driving distance of Cedar Breaks National Monument, Zion National Park, Bryce Canyon National Park and Brian Head Ski Area.

Rotation Information

Rotations are available for pharmacy, physician's assistant nurse practitioners, and medical students (MS-III, MS IV, and Residents).

Please apply for rotations six weeks in advance:

"I have had such a wonderful time meeting the people in Cedar City and the surrounding area. The people in the emergency room at the Cedar City Hospital completely made my rotation the fantastic experience that it was."

**-Jeanine Rossell, University of Utah
Physician Assistant Program**
